REAL ESTATE

Is the best of investments. No city in the world has so bright a future as Honolulu, and if a person uses judgement in buying he should be able to provide well for the future if he invests his savings in Beautiful Kaimuki.

With the coming of Uncle Sam to Pearl Harbor, the opening of the Panama Canal and the general development that is bound to follow a careful realty investment is bound to be worth many a sacrifice.

HAS A VERY LONG RECORD

The attempt of Juan Rivera, charged with embezzling \$1, to deny himself yesterday failed miserably, for the jail records today proved conclusively the statement made by Interpreter Minvielle, who said that Juan had spent four or five years in jail. The record showed that Juan had been convicted in March 1902 for burglary in the second degree, being then sentenced by Judge Hardy, at Kaula, to twelve months imprisonment. A year later Juan received a two months sentence from Judge Hookano at Ewa; in May 1905, Judge Whitney imposed a fine of \$2 on him for gambling; in June of the following year he had two sentences, one of three years by Judge Kepolikal for burglary, and one of six months by Judge Copp, of Maui, for burglary in the second degree. His photograph adorns the rogues' gallery in three places, and he has actually served four years and eight months.

When the matter was explained to Judge W. W. Thayer, the latter set the case down for tomorrow for consideration, asking the prosecution whether he had jurisdiction, seeing that he had no cognizance of Juan's record, as Judge Andrade had heard the charge against him. County Attorney Brown asked permission to reopen the case and place the facts before his honor and this course will be adopted. Juan is almost universally known among the Porto Ricans by the name of Attila, but to the police he is known as Juan Rivera, Juanito Robero and Joe Rodrigues.

Y. M. C. A. DENIAL.

EDITOR STAR:—The implication in this morning's paper that the Y. M. C. A. has complained about Palama Settlement playing boys over age in the baseball game of last night is without authorization from us. We bring no charges of any sort against the settlement. Our boys withdrew from the game. The score was 10 to 1 in favor of Palama. We will make no protest.

Very truly,
PAUL SUPER,
General Secretary Y. M. C. A.

CONTINUED AGAIN.

The cases against Joe Ferraje are still pending in the police court, but it is possible that the matters will be finally adjusted in the near future. It may be remembered that Attorney Chillingworth raised the point that the police court had no jurisdiction over Joe on account of his youth, a contention which was overruled by Judge Andrade. The case was further continued for a week this morning.

THE NOVELTY'S BEST.

The new bill at the Novelty Theater is one of the best seen at this house for some time, for both pictures and the vaudeville sections are good. One of the films, entitled "The Ranger's Wedding," is excruciatingly funny and was received with roars of laughter last night. The Mascotte Sisters have a splendid turn, or rather, two good turns, appearing in one part of the entertainment as two ragged urchins and giving an exhibition of bare-footed dancing and acrobatic work, and later on re-appearing in a song and dance act. Both turns met with favor throughout the evening, and the young ladies were not permitted to retire without giving an encore. This is the best entertainment yet put on the boards by the Mascottes.

TWO BETS TAKEN

A bet offered by a group of Republicans and taken by a Democrat yesterday was of \$500 that Lane and Shingle would be elected. If either the mayoralty or the treasurership goes to a Democrat, the taker wins the money.

This morning a similar bet on Jarrett and Rose, for sheriff and deputy, was covered with Republican money.

Both of them must be elected, or the Democratic money will be lost.

NEW JUDGE NOT YET.

So far nothing definite has been done towards appointing a successor to Judge Andrade, who resigned from the position of District Court Judge yesterday morning. It is fairly certain, however, that an appointment is about to be made, but the time is not yet ripe for any official announcement on the subject.

charge has been pending for over a year now. On the first occasion there was a hung jury, but the jury yesterday returned their verdict within five minutes of their leaving the courtroom. The defendant comes up for sentence later on.

PORTO RICANS COMPLIMENTS

Juana Colon, the Porto Rican who charged one of her nationals with assault this morning, is herself under arrest, charged with using threatening language. Juana had an altercation with another Porto Rican and threatened to disembowel her, adding, "I won't be satisfied, Camilla, till I have your heart in my hands." While expressing these sentiments Juana flourished a large knife, but Camilla ran away.

A WHITE ANDERSON GRACE.

Nothing has yet been seen of Harry Benson, who got away from the police court yesterday. Detectives and police officers have been searching the city for the past twenty-four hours, but no trace of him missing man has been found. There have been many reports regarding him, but all alarms have so far proved false.

JAPANESE EMPEROR'S BIRTHDAY RECEPTION

Cards bearing the sunburst emblem of Japan have been issued reading as follows:

"Mr. Senichi Uyeno, His Imperial Japanese Majesty's Consul General, requests the pleasure of your presence at a reception in honor of the birthday of His Imperial Majesty the Emperor of Japan at the Alexander Young Hotel on Thursday evening, November the third, nineteen hundred and ten, at half after eight o'clock."

CASE MUST GO TO THE JURY

During the trial of the case in which Y. Maisaka is suing the Honolulu Rapid Transit & Land Co., this morning Attorney Cathcart, who is appearing for the defendant company moved that the action be dismissed. He stated that no negligence had been shown by the evidence for the plaintiff, and held that it was for the prosecution to prove that there had been negligence.

Lorin Andrews, who appeared for the plaintiff, held that the burden of proving that there had not been negligence was on the defendant company, Judge Whitney denied the motion, and the case will be resumed at eight o'clock tomorrow morning.

The following building permits have been issued in the past couple of days: Bithulithie Paving and Concrete Co., Ltd., office building, iwiilei. Cost, \$300.

Honolulu Lava Brick Co., brick works, Kaimuki, to cost \$1000.

Yamamoto, alterations store, Hotel street between Nuuanu and Fort sts., to cost \$500.

PLEAS GUILTY IN THREE CASES

Twenty-nine indictments were presented to Judge Robertson late yesterday afternoon by the Grand Jury as the result of their deliberations. The jury will now go into recess until January 9.

All those mentioned were before Judge Robinson this morning, when the following pleaded guilty: Joseph Mloi to a charge of bigamy, Lol Kaanaana, for a violation of the Edmunds Act, and Lee Young for having had counterfeit coins in his possession. Mloi's case was continued until Saturday; Kaanaana and Lee Young will come up tomorrow for sentence.

Of the other offenses there were violations of the Edmunds Act, assault, forgery, purchasing government arms from a soldier, importation and smoking of opium, sending objectionable matter through the mails. The proceedings against the crew of the Wilhelmina for having broken quarantine, have been dropped.
